How To "Be SAFE"

"Be SAFE" is a voluntary SAFE Action Project initiative encouraging lodging properties and hospitality organizations to conduct SAFE training for all levels of staff and employees. "Be SAFE" participation is a no-cost process, and a relatively easy one, requiring three steps to complete.

STEP 1: Designate a SAFE liaison for your property or business to coordinate with the SAFE Action Project.

STEP 2: Train at least 75% of your property's staff members.

STEP 3: Commit to implement SAFE training information into your new-hire process, or through an annual training update for your staff.
